## Profile

a Frontend Developer dedicated to creating visually stunning and intuitive user interfaces. My journey in web development began with a focus on design, allowing me to seamlessly blend aesthetics with functionality. Currently, I'm pushing boundaries at Pixel Dynamics, where every line of code tells a story. Let's build websites that not only work flawlessly but also captivate the audience.

## Professional Experience

February 2022 – June 2022    **Web Developer**

Harmony, India                      Mobile App Developer, AppCraft Innovations (2017-present)  
Software Engineer, Mobile Dynamics Ltd. (2015-2017)  
Junior Developer, CodeSphere Technologies (2014-2015)

## Declaration

Every thing that i mentioned is authentic
